

## LOTUS LACTATION

### PUBLIC TRANSPORT DIRECTIONS

#### **MTR**

We are a few minutes walk from the Sai Ying Pui MTR station. Take the lifts up to Bonham Road at Exit C. There is an HSBC at the junction of Park Road and Bonham Road. There are also three more smaller roads at this junction: Oaklands Path, Babington Path and St. Stephen's Lane. Oaklands Path is the steep one. Hoover Mansion dead ends Oaklands Path.

#### **Minibus**

From Central under Exchange Square – **two minibus numbers 8 & 22**

These minibuses leave Central and travel up Cotton Tree Drive to Mid-levels. They then travel along Caine Road and on to Bonham Road. (Caine Road changes name into Bonham Road with no other indication of a road change.)

There are many shops along Caine Road and then a residential stretch. At the next community of shops there is a large junction, with traffic lights, between Bonham Road and Park Road. Park Road is quite a sharp left turn and there is a HSBC bank on this corner.

Alight from the minibus at the bus stop just past the Park Road junction. If you reach Hong Kong University, you have gone too far and need to talk back to the previous bus stop.

**Minibus 10** – from Causeway Bay, Wan Chai, via Mid-levels to Pokfulam

**Minibus 10A** – from Wellington Street, Central, via Mid-levels to Pokfulam

**Minibus 11** - from Causeway Bay, Wan Chai, via Mid-levels to Pokfulam

**Minibus 28** – from Causeway Bay, along Kennedy Road to Caine Road and Bonham Road

**Minibus 56** – from North Point to Mid-levels

This minibus travels up Cotton Tree Drive, along Robinson Road to Lyttelton Road. Alight at the first shop on your left on Lyttelton Road – it is an estate agent (in fact nearly all the shops there are now!) From here telephone me and I will send someone to let you in the back entrance.
